PLEASE HELP SUPPORT YOUR TROOPS

We will also have collection boxes for care packages for the troops. According to the USO, the most common requests by our troops are for sample sizes of lotion, sunscreen, chapstick, and individual servings of beef jerkey or nuts - items that can easily be tucked away into their uniform pockets where they are readily accessible. Gift cards to CostCo would also be great! The USO uses these for supplies not donated to their center. Although all donations are greatly appreciated, please limit your choices to these or other similar small items.

For further info or to RSVP, please contact:
